Obadiah

Author: Obadiah (means “worshiper of Jehovah”) This is a common name but apparently has no connection with any other Obadiah mentioned in the Old Testament.

Edom has many mountains over 5,000 feet. Some Edomites cut dwellings out of the stone bluffs, which Obadiah refers to in verses three and four. Petra, which is now in Southern Jordan, is located in the area which was once controlled by the Edomites.

Egypt also utilized the area for the mining of copper.

King David conquered Edom (II Samuel 8:14), but by 734 B.C. it was under the control of Assyria.

Obadiah is one of the few prophets who is not quoted in the New Testament.
