

# What Does God, Really Want?

www.tracts.com

Well let's look at things from God's perspective for a moment....

He has zillions of angels and cherubim and seraphim who do nothing but praise Him day and night (although there is no night in heaven)

He has heaven- an endless and perfect place of unimaginable beauty, where His perfect will is law, and there is perfect joy and harmony.

He Himself possesses all love all peace all knowledge all glory all honor.

He has power over everything everywhere. His presence is everywhere all at once. He has had everything for all eternity, has everything today and forever.

So, what does God really want....? Would you believe He wants

# You!

You were created in God's image and given a free will. What God desires the most, is for you to accept Him as your savior!

# I Surrender Jesus!

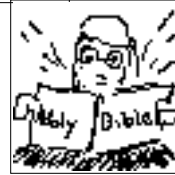

Why are there **problems** in my life that God just doesn't seem to do anything about?

I try and I try.....  
I pray.....

And I read my Bible.....

I **think** about it over and over and over again...!

I ask my Christian brothers and sisters for help....

Sometimes their advice makes me feel even **worse..!**

I don't know what to do- these problems just won't go away!  
I'm at the end of my rope!  
Jesus, I surrender!  
I give up!

**And that was the moment I was healed!**

# He Was With You....

# When You Were In Pain

When you were sick.....

....and in pain.

The agony you went through.

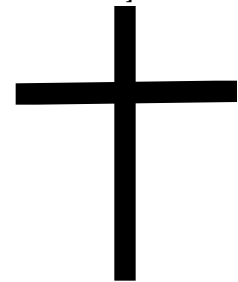

The hurt that went so deep.

The pain that kept you up all night.

The fear, the terror, of being hurt....

**You were not alone...!**

*"For lo, I am with you always, even unto the end of the age!"*  
[Matthew 28:20]

Jesus Christ was with you!

He suffered the agony of being crucified; nailed to a cross.

He suffered this pain for you! For your pain.....!For your suffering..!

To heal you.....!!
