100%
the Truth!

We hear many people talk about the Bible. There have been thousands of books written over the years...

..and a multitude of scholars have analyzed and studied this one book. There are many varied opinions and interpretations of the Bible.   1

Some say God speaks in symbols.

Some question the historical accuracy of the events in the Bible.

Some groups take one part of the Bible, and create their beliefs around it.

So, did God really make mistakes when He wrote the Bible? Did He create it to be confusing? or misleading?
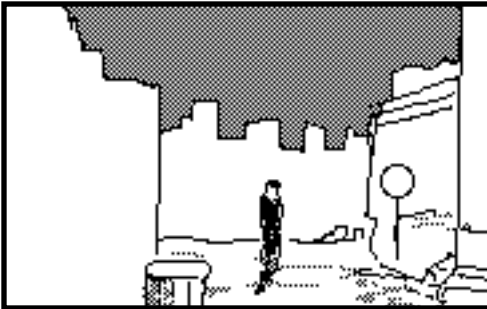

The Bible says this--
"**Let God be true, and every man a liar.**" [Romans 3:30]

The Bible is....
100%
literally true!!!
(not figurative, not interpretive, not speculative, not suggestive, not open-to interpretation.....but.....)
literal truth!!!

If the Bible says that Jesus walked on water... then He.... walked on water! And if it says that He was born of a virgin....then He was born of a virgin!
And if the Bible says, "For God so loved the world that He gave His only Son, that whoever believes in Him, shall not die, but have everlasting life." [John 3:16] Then this means that if you believe in Jesus Christ, you will go to heaven!!

He Was With You...

.....When you were alone

There was that time, when there was no one for you. When everywhere you went, you felt alone,

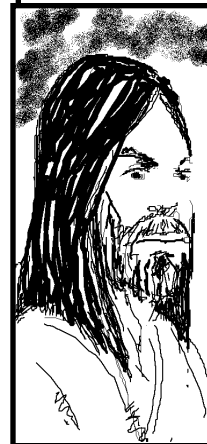

Your loneliness was like a prison and there was no way out. Hours and days and years could pass and nothing seemed to change, you were abandoned.

Sometimes you can be in the middle of a crowd and still be completely alone.

It can almost feel as if it is a curse.

You may have been out on the street, with nothing or no one....all alone,
But you were not alone!
Jesus Christ was with you!

"And lo, I am with you always, even to the end of the age."

Jesus spoke these words to His disciples in Matthew 28:20 for all who have ears to hear!

God's Health Plan

Holy Bible

The Bible is God's plan for a healthy life.

The pages of the Bible contain innumerable ideas about how we ought to live our lives.

Jesus said to "forgive your enemies." This is incredible advice! Our emotions would be completely healthy if we could do this.

Psychologists would go out of business!

Just think, if everyone could "turn the other cheek" there would be no war!

ALL WAR ENDS! PEACE DECLARED!

Jesus commanded us to "Love our neighbor as we love ourselves." Can you imagine the way this world would be if everyone loved one another? All of us can imagine the world this way--yet there is something in the way-- something that prevents God from having his way--the Bible calls it sin.
