

A Dream in the Night

*One night I dreamed
Of a time long, long ago
In a far away land
A place I did not know*

*I walked with a crowd
As we trod up a hill
Upon it three crosses
Blood would soon be spilled*

*I see Jesus there
And my heart began to gasp
They laid him on a cross
The nails were hammered fast*

*Cries of pain and suffering
The air filled with screams
The crowd just laughed at him
My heart began to weep*

*A thief was also crucified
From his cross I heard him cry
How horrible this sight I did see
Oh God what's happening to me*

*The third cross was empty
And I began to wonder why
The heavens roared with thunder
And darkness filled the sky*

*The soldiers were looking around
Saying where can he be
That is when I noticed
Everyone pointing at me*

*I tried to run away
But the soldiers held me fast
I turned and looked at Jesus
He said it's time to prepare*

*He said, just trust in me
With faith and all of your heart
Accept me now today
And from you I'll never depart*

*They laid me on the cross
And prepared to crucify
I looked up to see Jesus
I knew I was about to die*

*The blood that Jesus shed
Ran down his cross that day
As it dripped over my head
I became completely covered in red*

*Oh Lord how did I get here
I was born another time
I accepted you as my Savior
Is this justice for my crimes*

*He said, that's why you're here
Just so your eyes can see
One drop of my blood
Covers sins for all eternity*

*From deep slumber I awoke in peace
My life was no longer in despair
I'm now safe and secure I rest assured
Because I know his blood is still there*

*Inspired by My Lord and Savior Jesus Christ
To him I give all the Glory Honor and Praise
