

(doing wrong) behind us. For we have all tried to live without God at sometime, and messed up. He wants you to know Him better and accept His loving help today. The fact that you are reading this *"Thank You"* note from me today is not a coincidence; it is proof that God loves you and is seeking you today. Will you accept His invitation?

I just wanted to thank you today for your kindness to me today. Whether by a smile or a word it makes life better when we are pleasant to each other.

I believe the best example of how to treat others came from Jesus Christ, the Son of God. He was sent by God not just to teach us how to be kind to one another, but that we could find out how much God loves us today.

God tells us in His Bible that
He loves us:

"For God loved the world so much that he gave his only Son, so that everyone who believes in him may not die but have eternal life."

That includes you today! God sent His Son Jesus to seek you that you may know Him and live a better life with Him.

To accept God's invitation through Jesus His Son we need to clean up by leaving our old life of sin
