COME UNTO ME ALL WHO LABOUR AND I WILL GIVE YOU REST
MATT 11:22

IT IS WELL

Fear & Faith have something in common. They both ask us to believe in something we cannot see.

Joel Osteen

I already know what giving up feels like.
I want to see what happens if I don’t.

Elijah was a prophet who did many signs and wonders. He was God’s mouthpiece in his time. However, there came a time when he was pursued by his enemy Jezebel, who was both a witch and an idol worshiper. She caused Israel to turn away from God and worship Baal, the god of fertility. Jezebel sent a threat to Elijah after hearing that he had slain her prophets. She said, “The gods do so to me and more if tomorrow you shall not be where the prophets of Baal are” (1 Kings 19:2). Elijah became fearful and ran for his life.

The spirit of discouragement came over him as well as self-pity. He thought that he was left alone of all the prophets of Israel and his life was about to be taken away. He had 850 prophets that worshiped Baal whom Elijah had slain at Mount Carmel. Jezebel had slain most of the Lord’s prophets in Israel. The Lord had said to him further down in scripture that he had reserved for himself 7000 who had not bowed their knees to Baal nor kissed him. (Kings 19:18)

The word went on to say that Elijah went on a day’s journey where he sat down under a Juniper tree and there requested to die. (1 Kings 19:4)

Does this story seem familiar? Many of us today are having a similar experience. Is it sickness, discouragement, confusion? Are you back against the wall and you don’t know where to turn? Do you feel all alone? Are your situation so serious that you desire to die?

Why don’t you try Jesus? There is provision in Him for you. The Lord did not allow Elijah to die. He sent an angel to him with a cake that would give him strength for the rest of his journey. (1 Kings 19:5-8)

The Lord doesn’t want us to die in our situation. He wants us to access the strength God has given us and continue our journey. Whatever your need is from the Lord today, just pay and believe he is well able to supply your needs. He has strength for your journey.
