

ALL THE ABORTED CHILDREN

They're marching across the sky!
A throng of millions in Ghastly
Disarray.

And while they march in tears,
they cry, and fill the heavens with
a Rain of Dismay!

The Savior stands to greet them,
and they cry, Jesus, Lord Jesus!
Why didn't anyone want me?
And then they cry, sweet Lord
Jesus...won't you please take
care of me?

Tears roll down the Savior's Holy
Face and He is filled with pain!
He thinks back to the days of
Cain and Abel, when the first man
shed blood, and to Herod who
had all those little children killed.

And Jesus said, Before
me march the innocents
who lost their lives through
Abortion. And His hands
extended out over them,
and their dismembered
bodies came together,
and become whole again.
And Heaven's gates
swung open wide, and as
the angels welcome them
All into The Kingdom of
God... And they sing,
"Thank you, Lord Jesus!"
and they sing of His love
and care.

Below on Earth in stunning apathy the onslaught to Life continues, and people and judges, and doctors, and intellects in their earthly wisdom talk of about this being a New Age and things are different now. They don't read, believe and do the Commandments of God anymore. They in their earthly wisdom are lost!

Then, the heavens' Shook, and the sky turned Black! Another child has died, and the Lord Jesus Cried! The Lord Jesus Cried in pain and sorrow, like a knife was inserted into His heart!

NOTE: A BABY IS A BABY AT CONCEPTION. HE OR SHE IS A GIFT OF GOD, NOT A CURSE OR PUNISHMENT...SPIRITUALLY A RIBBON IS WRAPPED AROUND EVERY BABY WHEN HE/SHE COMES INTO THE WORLD. THEY ARE A GIFT!!
