

Another Birthday day is here! This is your special day, Honey and you are very special to me! We love you very much and we pray that the coming year will be a wonderful one, filled with good things like being healthy and happy and having friends to share it with.

There is a Friend who wants to share it with you, too. Did you know that? His Name is Jesus and He wants to have an ongoing relationship with you. He wants you to tell Him all about what's happening everyday and He wants to hear that you love Him. He's your Heavenly Father!

Jesus loves you more than you can imagine, Honey! Did you know that He made us so that He would have a Precious Family to love and take care of? Well, He did!

You can be joyful all year long because you know that you have a Friend who sticks closer than a brother and He will never leave you or forsake you. It says that in Proverbs 18:24 and Hebrews, the 13th Chapter, 5th verse of the Holy Bible, Authorized King James Version. Maybe you could look it up and read it for yourself.

Happy Birthday!
