

## ANSWERED PRAYER

Are you believing God for something that seems like it's taking a long time? In the natural, you may have every reason to give upon what God has placed in your heart. At times, you may be tempted to get discouraged, but remember, God knows exactly where you are.

"Delight thyself in the Lord, and He shall give thee the desires of thine heart."  
Psalm 37:4

He knows the desires He has placed within you. He knows even the hidden dreams...what the scripture calls secret petitions of your heart. Those are the things that you haven't told anyone about. Maybe you thought they would never work out, or you have buried them because they didn't happen on your timetable. But God still has a way to bring them to pass.
