

As It Was Written

*To Him alone, our Life we do Owe
As it was written, a long time Ago
Souls of Sinners, yet Christ died for us All
Shedding His Blood, on that old rugged Cross*

*His Blood now covers, a Lifetime of Sin
Have you called on His name, have you invited Him In
If you'll not be ashamed, and Confess Him before Man
He said He would gladly, confess us to his Dad*

*He also said, that Death would be our Claim
For the Wages of Sin, will put you in the Grave
But God Loves us so much, each and Everyone
For this reason alone, He sent His only Son*

*His Grace is sufficient, to Save everyone Today
But do you have the Faith, to Believe in His Ways
His Gift of Eternal Life, sounds wonderful to Me
Salvation really is easy, and it really is Free*

*Whoever calls upon his name, it is those he will gladly Save
He has a wonderful plan for your life, He is the only way
If you'll invite him in, He'll come in to Stay
His Love for you is endless, come follow Him Today*

*Search our Hearts oh God, and know them Today
Try us my Lord, let us know Your Ways
Tell us if there is any Wickedness, in us that You See
Forgive us our Sins, and set our Souls Free*

*Help us to be Obedient, in all that we Do
Let us serve others, by first serving You
I Pray your Word and Spirit, will guide our earthly Ways
For today we give you, all the Glory, Honor, and Praise*
