

BABY GIRL

Congratulations on your Darling Baby Girl!  
Babies are so snuggly and cuddly and we  
all would love to hold her!

Children are a precious gift of the Lord.  
“Lo, children are an heritage of the Lord,  
and the fruit of the womb is his reward.”  
Psalm 127:3

The Lord wants a part in her life, too.  
Teach her all about Jesus and His love.  
That is the most important thing you can  
ever teach her!  
Teach her to love and respect the Lord and  
obey His sayings which is all about loving  
Him and everyone around her.

And I hope you will read the Holy Bible to  
her and tell her all the Bible stories to help  
her to get to know Jesus.
