You are invited to a fun filled Baby Shower! We will have games and friendly conversation and delicious food, too! This is very informal…just come as you are.

Any gift you bring will be greatly appreciated to help the mother-to-be get started on providing for her child when it comes. It doesn't have to be anything fancy. Just having you there is the best gift of all.

You will be helping Jesus when you come because He taught us to love one another. He loves it when we obey Him.

So, Come and have a wonderful time and be blessed yourself!
