

BABY SHOWER

You are invited to a very special Baby Shower! We are coming together to provide some nice things for the mother-to-be to nurture her baby with...whether it be clothes, toys or things to aid her in her new venture into parenthood.

Come just as you are...nothing formal. We will laugh and smile together as we share and anticipate the coming event and takes lots of pictures! And I know that Jesus will be there too, enjoying everything right along side of us all!
