

You are invited to a wonderful Baby Shower. It's going to be a fun time to spend together, playing games and laughing and there will be presents, of course, for the mother-to-be and plenty of good food.

I surely hope you can come because you don't want us to miss you and you don't want to miss having a wonderful time.

Jesus will be glad that you are helping by being there for her, whether you give her a present or not. Just being there will mean a lot! He loves all His children! He really blesses us every day because He is our Heavenly Father, and He is a GOOD GOD!
