

# BABY'S LETTER TO HER PREGNANT MOMMY

Mommy, keep me safe and warm. Handle me with all your love, and keep me from harm. I'm only six weeks old. I have a bright pair of blue eyes that soon you will see!

I have cute, little ears and a little puppy nose, and Oh, I see that at the end of my feet are little things called toes!

I am looking forward to my life and to be a part of your and my daddy's life. I look forward to us loving each other, and to know and learn about Jesus and His love...and to listen to you talk about Jesus and read to me from the Bible, will be my greatest joy! And oh, let's spend a lot of time with Jesus and having a relationship with Him and helping others too!

I also will enjoy everything that Jesus has given me; I am so looking forward to my first breathe of air, a sweet breeze, enjoying the grass and trees, and flowers, and singing sweet songs of praise to Jesus, and exploring the wonderful world around me.
