

# Beware of the 666 !!!

What would you do if you were forbidden from praying, preaching or talking about Jesus? What would you do if churches were closed and all religious or Christian assembling were to be punished by law? This scenario looks unimaginable now but the Bible says we shall all face it. The time shall come when religion shall be proscribed and Christians in particular shall be persecuted. Most Christians reading this would say, "Yes, he's talking about the tribulation. But before these things happen, the church would have been taken away." That's false. I used to think the same way for several years until God drew my attention to the matter in a particular way. The church needs to be equipped for this hour. Sudden darkness shall come over the world, and we shall all enter that hour of darkness. Tell this to your friends and equip your church for that hour.

The anti Christ shall represent Satan on earth

The rapture shall not take place at evening, before the tribulation. It shall not take place at dawn, after the tribulation. The rapture shall take place at midnight, in the middle of the seven year tribulation period. It shall be in the middle of the night that the call (trumpet) shall be sounded for the virgins to meet the Bridegroom. He shall come like a thief in the night to take His church for the marriage of the Lamb, but come gloriously in the morning to rule as the global King.

Jesus asked what would profit a man if he gains the whole world but loses his soul. This question shall be so relevant in the advent of the anti Christ. The Bible in Revelations 13 presents us with facts that shall soon come upon humanity. A well acclaimed world leader with a strong satanic background shall create a new world order as he brings a temporal peace and creates a seemingly prosperous system for all. This despot shall be anti religious but demand self worship. People shall be required to bow to his image that may be in the form of a statue or picture, receive his mark or number which is 666 on their forehead or right hand for social security reasons and as condition for any form of financial transaction. These measures shall be compulsory for all. The Bible warns humanity from any such practices and makes it clear that those who succumb to them shall be selling their souls to the devil. They shall be tormented in the lake of fire forever and ever.

Witchcraft and occultism are gaining grounds in the world and many are naively drawn to them with a desire for worldly success. This is a trap.

At that time, you shall have to choose either to follow Christ by worshipping only God, or follow the anti Christ by worshipping the man and receiving his mark or number. Christians shall be required to endure and persevere those moments that shall be short lived. I like you to know that true Christians shall be strong and stand for God. They shall brave those odds and pull many to God through the gospel they shall preach.

As the time of the man's "triumph" comes to an end after his short moment of glory lasting about 3.5 years, God shall prepare to pour His judgments on sinful humanity. It is at this moment when sin is at its peak that God shall take away His children to start blowing the trumpets of judgments upon the world. The rapture is therefore not intended to protect the church from the schemes of a man, but to protect His people from divine judgments. We remember that God took away Lot from Sodom before destroying it. The next phase of the tribulation shall also last 3.5 years marked principally by God's judgments on sinful humanity, culminating in the Battle of Armageddon. It shall be at the end of this period that Christ shall intervene and rule gloriously over the world for a thousand years with the saints of all generations.

We all need to be winners in Christ

Since we shall all enter the dark hour, it is important for the church to take some measures as to what the Bible recommends of us at this time.

1. Be in unity and of mutual assistance to one another.
2. Reject the mark/number of the beast and any form of allegiance to man and not God.
3. Everyone should remain steadfast in the faith and endure the short period of trial.
4. Continue to preach the gospel and make the world and those of the synagogue of Satan get saved. Righteous living shall be a watch word for every child of God, especially at that time.
5. Fix your attention above; for your salvation is nearer than when you first believed.
