

The Bible
The worlds no. 1
best seller

Most People in Britain have a Bible in their homes but maybe don't realise what an amazing book it is and what potential it has to bring blessing into our lives. Here are a few interesting things about it.

The authors

Written by 40 different writers over a period of 1,500 years, it contains history, biography, poetry, theology, prophecy, philosophy, adventure, travel and romance.

How can we know its true

Much of the content is accepted as fact concerning the history the area of the Middle East and is backed up by archaeological finds in the area. There is a lot of prophecy in the Old Testament and the New Testament, which has come true and some still to come about.

Compelling reading of biography and history.

It has wonderful true stories, like the shepherd boy who became possibly the best king who ever lived and whose son became the wisest and richest king of all times. The story of the man who was swallowed by a great fish and lived, (not the only man to have survived being swallowed by a whale).
