

HAPPY
BIRTHDAY

You are a very special boy and we treasure, love and appreciate you for who you are. Let's celebrate your birthday and have a good time together having dinner and then some cake and a few presents.

Then afterwards we could go out and play ball in the yard. Or just stay in and visit and laugh together and have good fellowship.

Did you know that there is a Friend who sticks closer than a brother and He's longing to share a few minutes with you, too? It is Jesus, and He is looking down protectively upon you today, son.

Just spend a few minutes talking to Him and telling Him how much you love Him because He loves you very much, son. He loved you even before you were born the Bible says.

And He wants you to do that every day. He will lean down and listen carefully whenever you come to Him to talk and tell Him what's in your heart. Tell Him your heart's desire too. You can trust Him. He will take it seriously. He will Never forget! He will help make your dreams come true!

So, have a joyful day, son!
