

BIRTHDAY GREETINGS

Oh joyfulness! It's your birthday today! You are such a special person and I love you very much! Let's celebrate and have a great time!
We will celebrate with a cake and a few presents and smile and laugh!

And let's remember to thank Jesus for taking such good care of you all year as He looks down upon you with love and pride. God is so Good!
He loves you so much, you know and He wants to have a relationship with you, Honey. Even more so than you have with Him now.

He can't wait until you go to bed so that you can spend a few minutes with Him to tell Him all about your day before you go to sleep. He leans down and lovingly listens to all you have to say. He's really interested, Honey. Don't ever doubt that! And He will be there every day eagerly waiting to hear your sweet voice talking to Him.
And don't forget to tell Him how much you love Him, too. The Holy Bible says, "We love Him because He first loved us." John 4:19
