

# BODY PIERCING

Yes body piercing is the absolute latest thing, I mean everyone is getting one part of the body or another pierced. Of course, you say, since I want to fit in with the crowd, I'm all for doing it as well. You know if you want to hang out with the ones that are most "hip" you have to follow all they do. Sure it really doesn't feel too good, not to mention that when I got my navel pierced it got infected so I had to get an antibiotic shot. But hey it was worth it so everyone could see the ring in my navel. Now all the guys are into nose rings, regardless of how much they said it hurt to get your nostrils pierced, I'm for it as well.

Body piercing is that for you? I've got to tell you that body piercing is definitely for me, in fact body piercing is what "saved" my life!! "How", you ask, " could body piercing "save" my life??"

Well let me tell you how it "saved" my life and how it can "save" yours as well. It was over two-thousand years ago when a man, not just an ordinary man, but the only Son of God, Jesus Christ, went willingly to the cross!

There His hands and feet were pierced with nails to the cross, "...They pierced My hands and My feet. " - Psalm 22:16.

That's not all, they also pierced His side, where upon all His precious Blood was shed,

"But one of the soldiers pierced His side with a spear, and immediately blood and water came out." - John 19:34

And again another Scripture says "They shall look on Him whom they pierced." - John 19:37

Why did He do it?? So He would be popular?? Actually not, in fact He was not liked by many of the elite groups of the day, such as the Pharisees, Sadducees, and scribes to name only a few!

<p>Was He trying to fit in??</p> <p>Hardly, whatever the people of His day were into He was more than likely against it. He was sent to earth to do the work of the Father and that's all He pretty much cared about.</p> <p>If He didn't do it to be popular or to fit in, then why?? For one reason only and only one reason, He did it for YOU!! He did it for ME!!</p> <p>Because He loved us so very much, He was willing to sacrifice Himself for the forgiveness of our sins.</p>	<p><b>"For God so loved the world that He gave His only begotten Son, that whoever believes in Him should not perish, but have everlasting life."</b> John 3:16</p> <p>Yes that's how much Jesus loves us, He died for us!! But rejoice it doesn't end there for on the third day Jesus Christ arose from the dead and is now seated at the right hand of our Heavenly Father!!</p> <p>So... if you want body piercing to "save" your life as it did mine, all you have to do is ask Jesus Christ into your heart by this simple prayer:</p>	<p>"Lord Jesus Christ I know that I am a sinner, but I believe that you died for me on the cross, and that all your Precious Blood was shed for the forgiveness of my sins. I ask you to please forgive me of all my sins and come into my heart to forever dwell with me. I also believe that You are now risen, and are in Heaven, seated at the right hand of our Heavenly Father. Thank-you Jesus for your free gift of salvation. Amen."</p> <p>That's it man, how easy was that? Now you can tell everyone that body piercing saved your life. Best yet not only are your sins forgiven because of the shed Blood of the Lamb, but one day you will be Heaven bound to spend eternity with Jesus and our Heavenly Father, how awesome is that??</p>
