

## BOOKS CAN KILL

“Touch not the unclean thing.”  
2 Corinthians 6:17

In a far away country called India, a soldier went to the library. The book he wanted was on a high shelf, and he reached for it, he felt something bite him. He jerked the book down and a small snake fell out. It's bite was very dangerous.

The soldier quickly put his heel on the snake's head and killed it. But his hand puffed up, and he almost died from the poison.

There is another kind of poison in many books. In many stores careless people sell books that put poison into your mind when you read them.

Don't read bad books. They can make your mind sick, and they can kill your life with God! Don't look at bad T.V. shows. They can hurt you very much by spoiling your heart! As a man said, “Don't eat dirt with your eyes!”

If you knew there was a snake in a book, you wouldn't touch it, would you? If you know you could get poisoned by bad television programs, you wouldn't watch them, would you? If you knew that you would be poisoned by Harry Potter books, you wouldn't read them, would you?

(Don't read Harry Potter books or watch the movies. They are very dangerous! They are witchcraft which is forbidden in the Bible.)

In the Holy Bible St Paul gives us an even better reason for not touching or watching or reading anything unclean. He says to all who love Jesus, You are the house of the Living God. God said, "I will live in them and walk in them, and, I will be their God, and they shall be My people..."

Therefore, touch not the unclean thing...and I will be a Father to you, and you shall be My sons and daughters," says the Lord God Almighty.

If we are Christians, we are children of God, and God is living in us. Let's not spoil that with anything (Dirty) in what we think or see or do.

## WE PRAY:

**Dear Lord our God, please help us to know what is good for us to read, and hear, and see. Make us willing to turn away from what is "dirty" because we are Your children. Amen.**
