

life, and your soul. You might be thinking, "Oh, yeah, sure, one day, this might happen, and then again it might not. Do you know that everything that has been prophesied in the Bible has been correct up until now, and will continue to be correct. Events that are happening now, have been predicted for thousands of years. Based on Bible prophecy, there is nothing to prevent the rapture of the Christians from happening right now – it could be today, tomorrow, or maybe even next year. No one knows exactly when, but Christians believe that it will be soon. So please don't take the chance of being left behind. It will be much better for the Christians who are taken out of the world before God's great judgment and the tribulation period starts. Please make sure you are one of the ones taken!

Here are a few Bible passages and some television shows that might be helpful to you as you seek to understand end-times prophecies:

In the Bible:
Matthew Chapter 24
1 Thessalonians Chapter 5
The Book of Revelation

On Television:

The John Ankerburg Show

And search around...there are plenty more Bible passages, television shows, and also plenty of good books on this subject.

If you made the decision to make Jesus the Lord of your life, it was a wonderful and life-changing decision. Congratulations !

Don't Get the Mark!

● ● Don't Get the Mark!

If you haven't paid attention to the first two brochures in this series, you might have found yourself one of the ones who has been "left behind" when the rapture happens. The whole world will be in chaos, and everyone will be trying to figure out why millions of people have mysteriously disappeared. If you are still here when this happens, you might be wondering, "What's next?" and "What do I do?" Well first of all, the best thing you can do at this time, is to give your life to Jesus Christ. Repent of your sins, and turn your life over to Him. Things will no longer be "safe" for you, but no matter what happens on earth in the next seven years, at the end of it, your soul will be saved. This is the most important thing. You are in for a tough time, but no matter what, keep hanging onto Him. He will lead you and guide you through it. Then find a Bible! Read and find out as much as you can about what is to come. Try to find other Christians, as there is safety and

comfort in numbers, and they can also help you understand what is to take place. The next extremely important thing is not to take the "mark of the beast". This "mark of the beast" is mentioned in the Bible in Revelation and is the number that all people on earth will be required to have inserted either into their forehead or into their hand. It will probably be a computer chip like the ones already being inserted into animals and people for safety and medical reasons. No one will be able to buy or sell anything without this "mark", but it is considered the mark of the Antichrist or Satan, and God strictly warns people not to get it. To get this mark, means to stamp yourself with Satan's mark. It also means you are rejecting God. All those who reject God, have no hope of going to heaven or of spending eternity with Him. There will also be false prophets doing miracles but these miracles are not of God, and there will also be one main man "running the show" whom everyone will like. This man will deceive the entire world. He will make peace for three and a half years, and

everyone will think he is great and wonderful. But then he will go back on all his promises and become a terrible dictator and start killing Christians and anyone who does not worship him. Do not be deceived. This man is evil. Do not get his mark. He is what the Bible calls the Antichrist. His main purpose is to deceive the whole world into worshipping him, and getting the mark, thus sealing their fate forever. There will also be two men who are God's witnesses. They will be in Jerusalem at the temple, and people will hate them because people will not want to hear the truth. These two men are sent from God. Believe what they say. The Bible says that they will have great power to do miracles and destroy with fire anyone who tries to harm them. They will eventually be killed, lay dead in the streets for three days, and then rise up from the dead and go back up into heaven. I know all this sounds really far fetched, but if you find yourself here on earth, when all these things start to take place, I sincerely hope you can remember where you put this brochure, as it just might save your
