

COMMITMENT AND LIVING FOR JESUS

Now that you have sincerely confessed the something similar to the Sinner's Prayer and committed your life to Jesus, you need to work on keeping yourself surrendered to His Will and be diligent in obeying His Holy Bible, always asking Jesus to help you do that, because it's really not hard to obey your Bible when you fall in love with Jesus and fellowship with Him often.

The important thing is to be sensitive to His Holy Spirit and really get to know your Bible. Your Bible will help you to stay on track with God. If we don't do that we tend to backslide in our Faith. Read some in your Bible everyday if you can.

Reading and pondering on God's Words to us gives us comfort, and joy, and encouragement, as we walk with Jesus, and it will help you "Set your affections on things above, and not things on the earth."
Colossians 3:2

"All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, and for instruction in righteousness."
2 Timothy 3:16

2 Timothy 3:16

You are now a New Creature in Christ being "born again" like in John 3:1-8

"Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become New!"

2 Corinthians 5:17

Isn't that exciting?!

It wouldn't hurt to read a good Sinner's Prayer sometimes. An Example that you can share with others follows:

Dear Lord Jesus,
Have mercy on me, a Sinner, I believe in You and your Word is True,

I believe that You are the Son of the Living God and that You died on the Cross so that I may now have forgiveness for my sins. I know that without You in my heart, my life is meaningless.

I believe that you were crucified on the Cross and shed your precious, innocent blood for me, and arose from the dead so that I can have Everlasting Life with You in Heaven. Please forgive me for all my sins and please come into my heart as my personal Savior and Lord today.

I so need you to be My Father (Dad) and Friend. I give you my life, and ask you to defend and guide me throughout my life; from this moment.

I pray this in Your Name...Lord Jesus. Thank You! Amen.
