

## Run With Excellence!

Ephesians 4:1

I therefore, the prisoner of the Lord, beseech you that ye walk worthy of  
the vocation wherewith ye are called,

With all lowliness and meekness, with longsuffering, forbearing one  
another in love;

Endeavouring to keep the unity of the Spirit in the bond of peace.

As a believer we must ensure to do whatever has been entrusted into our hands with excellence. We must carry an excellence mentality. Whatever you do, whatever you have been called to do must of necessity be delivered with excellence. You may be a teacher you must teach with excellence, you may be a medical practitioner you must practice with excellence, you may be a cab driver you must deliver your service with excellence, treating your passengers right, you may be an artisan, you must do it with class, present your work with merit and probity, you may be a father, a mother, a husband, even a wife, you must live with adroitness, your role in the family must be a reflection of class. Whoever you are and whatever it is you do must be approached with skillfulness and dexterity. Christians are not mediocre we set the pace and we blaze the trail for others to follow. We lead, they follow! If you are an actor or an actress in the movie industry you must know that you are the cream of that industry, and for every act or role you take on, deliver it meticulously. We don't sit back and watch as believers, we take on the responsibility and prove to the world we can do it

better. As a Christian politician or public office holder, you must endeavor to lead and serve with excellence. As a Christian student in school you must be an excellent student, a role model. As you go about your vocation or calling you must do it with all humility doing everything in love and with love. The world we live in is bereft of love so we are to show the world how to love. We are the standard; we set the pace. Whatever we do we do it excellently! We are excellence and excellence is us.
