LIFE

INSURANCE

Fully guaranteed
Lifetime coverage
Fully paid

Is your Insurance Fully
Guaranteed and Fully Paid?

You got into a car accident and it was
totaled.
The car was wrecked beyond repair.
Would you insurance cover the
damage?

If you broke your leg from a sudden
fall,
like down the stairs in your home.
Would your insurance cover the
damage?

What if your home burned down
to the
ground, leaving nothing but ashes.
Would your insurance cover the
damage?

What if you died today, and
spend eternity in
hell, being tormented day and
night, where
worms eat your flesh and fire
never goes out.
Would your insurance cover the
damage?

Hell Has No Insurance Coverage!

Jesus said: The son of man will send out his angels and they will gather out of his kingdom all things that offend and those that practice lawlessness.

It is better for thee to enter into life maimed, than having two hands to go into hell, into the fire that never shall be quenched: where the worms dieth not, and the fire is not quenched.

Hell is a real place and there is no insurance on earth that can pay the premium.

But there is an insurance that guarantee you full Life and Death coverage, this Insurance has already been paid in full for you!
