

The Deeper things of Heaven

In 2009, a young Korean artist who was attending an all-night prayer meeting was visited by Jesus Christ. She was taken to see Hell and told by Jesus to draw what she saw, so that the world would know.

Artist speaking: "As I was praying all night long, I was able to love Jesus more than ever. One day, Jesus came and said in my Heart, ***"I will show you the deeper things of Heaven."***

I thought I was going to visit heaven, but instead, we visited Hell. As I followed Jesus, I cried the whole time. I then began to hear moans, screams, and wailing sounds.

Most people have a misconception about Hell. They are deluded and think that if they ***"Only Believe in Jesus Christ,"*** they will end up in Heaven. Some even think that once they die, there is nothing afterwards.

People believe as they think, and therefore they live their lives as they please...

Jesus also showed me that as people watch violent secular movies, demons would actually torment the person's soul without the person realizing it. As a person watches the scenes from TV, their soul is tormented and wounded. Watching secular TV does not help Christians develop a loving relationship with God.

I saw that when people were smoking and drinking, that spirits of snakes filled the alcoholic drinks and the cigarette smoke.

As Jesus witnessed the sins committed by man, He cried. Satan and his demons would tie the bodies of sinners so tight with iron chains to control them. Therefore sinners would go deeper and deeper in sin. I am pleading with you not to commit sin. Do NOT live as you desire. In Hell, the senses are hundreds of times more vivid than what we feel on Earth. The pain is more severe.

Jesus showed me how people fall into Hell. Jesus: *I see countless people falling into the eternal deep sea of the fire of Hell every single day...Please tell the people what you have witnessed in Hell! You must tell them about Hell! Tell people how awful and gruesome Hell is! You must paint the scene of Hell as if you are within my heart. Draw the scenes with My aching heart! They are falling into the Fire of Hell. Draw it with My aching heart...*

He felt such pity for people who were falling into hell every single day!

As I was painting the scenes of Hell, Satan attacked me severely, but I wanted to show the world about hell and the heart of Jesus through these paintings.

I saw people being tormented on a cross.

I saw people who did not want to eat the bread of life (God's Word). There were people who drank and ate prohibited things.

There were people who would not discuss the things of their lives with Jesus, but made their own decisions, and followed their own will.

This is how Murderers, rapists and child kidnappers are tormented.

Jesus: *Please tell people who hurt each other's hearts by their words that they must not hurt or wound their brothers/sisters in Christ. They must not say things without care or love.*

This woman tries desperately to escape.

The punishment for liars.

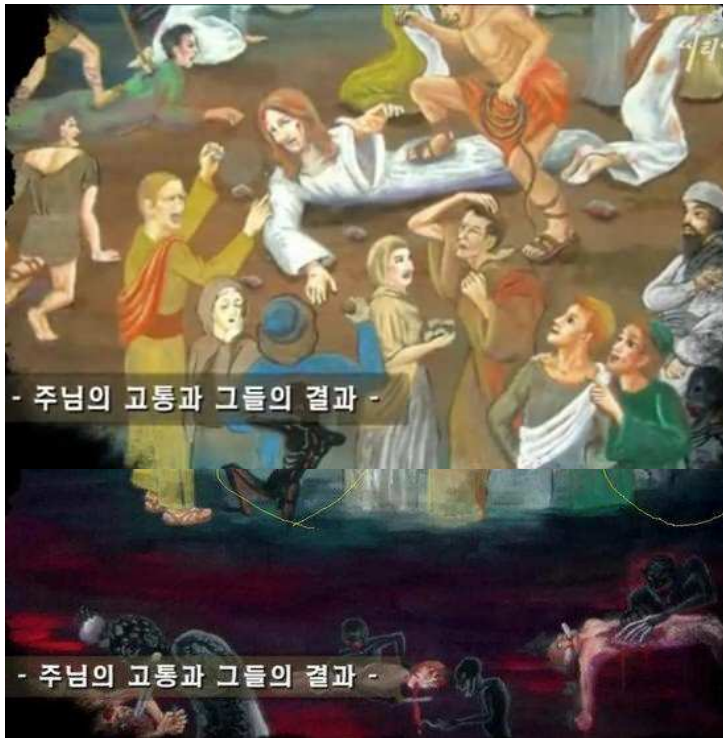

Those people who stole money are penetrated by arrows and needles.

In Hell, I saw a woman and her son who had died. In Hell they no longer loved each other. Because of the unbearable pain, they would do anything to escape the torment, even by stepping on each other.

Insects in Hell: These insects are for people who committed sins by their thoughts. They were filled with their own thoughts and knowledge. Covered by countless maggots, their entire body is wounded by large insects; going in and out of the whole body, mouth, ears and head.

Persecution of the gospel: The picture shows how demons would influence people to persecute, harass and kill the messengers of the full and true gospel.

These people were filled with their own thoughts and knowledge.

These people were obstinate in their thinking. They thought, *"Why would Jesus work in my life? Who am I? I don't think He loves me. I am very evil. I don't think He would love someone like me."* They were also people who violated God's word and ignore God's commandments. They will be placed in an area similar to a frying pan, which was burning with Hell fire. Those people who do not attempt to align their thoughts with God's will end up in Hell. We must fix our minds and thoughts on God.

This torment was for those Christians who did not share the gospel. They did not evangelize the good news to the lost. They ignored their calling.

This torment was for the people who had ignored God's word and still continued to commit sin. They are the ones who performed evil in the eyes of the Lord.

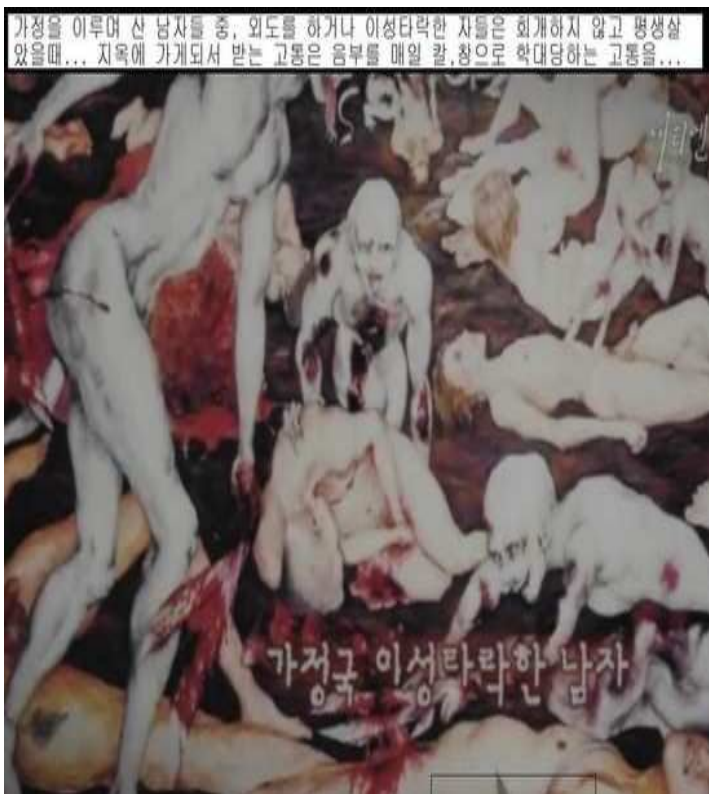

For those who worshiped idols, those that had evil thoughts and were stubborn in their ways.

Grumblers and complainers also wound up in Hell (1st Corinthians 10:10).

Grumblers and complainers in their heart.

There is a place in Hell for people who cheated on their spouses. For those who became gay or bisexual. They were penetrated by knives and spears.

For those who became sexually corrupt, their private parts were being pierced by demons.

Hell is endless, the torments are endless.

For those who would not repent.

You must kill any devil that is living inside of you.

When we repent and pray before God, angel armies come down and pierce the demons with their swords.

Jesus said, "***Focus on Me. You must focus only on Me.***"

Don't go to Hell!!!

Conclusion

I would like to take a little space and make a conclusion on this very important subject. Heaven and hell are not just metaphoric terms, but literal places with countless numbers of lives. Heaven is God's dwelling place and the home of angels and the saints that have passed to glory. As for hell, it is the dwelling place of Satan, other fallen angels (demons), and the souls of sinners after their death on earth. Presently, Satan and demons torment people in hell. But after the Last Judgment, Satan and demons shall face their own punishment when they shall be cast into the lake of fire. In other words, hell shall be cast into the lake of fire for perpetuity (Rev. 20:13-15).

After the fall of man into sin in the Garden of Eden, God's primary activity on earth has been to provide salvation to mankind. The final covenant for salvation was made on the cross of Calvary when Jesus, the only begotten Son of God willingly laid down His life in sacrificial death for the redemption of humanity. Outside of Jesus there is no salvation. Only His blood is holy and acceptable before God for the cleansing of sin. God has sanctified His name and given the name of Jesus as the only name by which man can be saved (Acts 4:10-12).

Satan is still in the process of deceiving man on earth. He wants (if possible) that everyone be doomed with him in eternity. He creates false gods and religions to distract man's attention from the only true God who has created the way of eternal life in Jesus (John 17:3). He lures people into sin and complacency so that their lives waste away until they find themselves in the pit of hell for all eternity. He continues to create false ideas and theories in the minds of lost humanity, with the goal of taking them away from Jesus, the only living Savior.

But thank God, you have come across the truth. You now know the truth and have no excuses to make. Jesus is the only Way, the only Truth and the only Life. Outside of Him, you are doomed for eternal destruction. You have to come to Jesus immediately and just as you are. He is the one who shall forgive your sins and make your life new. We cannot change ourselves; only God can.

Deciding to receive Jesus into your life as your personal Lord and Savior is the most important decision you can ever make. You have to acknowledge you are a sinner before God, and then implore His grace and forgiveness. If you are ready for such a commitment of having your sins forgiven and you walking in newness of life with the Lord, then make this prayer or one like it with sincerity from your heart to the Lord:

Most gracious God, I come to you this day in total repentance. I plead that you forgive all my sins (name those you can) and wash them with the precious blood of Jesus. I also accept and receive Jesus into my life to be my personal Lord and Savior. Help me to live the rest of my life to please and serve you. This I pray and thank You for saving me through Your dear Son Jesus Christ. Amen.

If you sincerely prayed and asked God's forgiveness, then know He has forgiven you totally. Jesus is alive and listens to every single prayer made in sincerity in His name. You have been forgiven and God considers you His child henceforth. Take your relationship with God seriously and read His word daily contained in the Holy Bible. Talk to Him daily and often in prayers. Seek for a

living church where the word of God is preached and practiced, and where righteousness can be seen in the lives of its Christians to fellowship and worship God with others. It is in this kind of environment that God shall build your faith. Be bold and confident to be a child of God in any and every circumstances. Also make others to know about Jesus as you did and God shall continue to uplift you.

About Heaven

I like to talk a bit about Heaven. In Feb. 2008, 1st October 2010 and 19th Nov. 2011, the Lord gave me separate visions about Heaven for different purposes. In my last vision on the 19th Nov. 2011, I saw a great and immense city with unfolding glories. The peace, beauty and glory of Heaven penetrate the soul and spirit, leaving you with an incredible feeling of joy, love and admiration. I saw indescribable buildings. I exclaimed in wonderment, "Who could have imagined that such buildings could exist!" I saw plants and trees that do not exist on earth, each having an extraordinary beauty in them. It is absolutely impossible for me to attempt to put anything I saw in drawing or picture form. At the entrance into this city, the security was tight with two layers angels controlling movements. Heaven is the direct opposite of hell. While hell stands for extreme ugliness, torture and misery, Heaven stands for extreme, beauty, peace and glory.

What we have to know is that Heaven is a kingdom. Among its citizens, there is a great diversity in affluence. Some are more dignified than others, while others are richer than others. I saw people regretting there. They said, "We did not know when we were on earth." The good news is that it is from earth that each person determines what he or she shall be and have. We do this by living in righteousness and being committed to the work of God. A lot of emphasis is put on righteousness in Heaven. Righteousness is a light that shines in the presence of God and distinguishes the children of light from the children of darkness living in sin. The amount of light you dissipate as a child of God is determined by the amount of enlightenment you bring to others. This comes through your proclamation of the gospel using all available means, the right moral attitude that serves as an example to others and righteous deeds undertaken in God's name (Mat. 5:14-16). God shall reward everyone according to his works.

When I came across this document about hell less than a week after my last vision of Heaven, I felt compelled to immediately publish it. Feel free and even compelled to share this document with as many people as you can so that they too can know the truth. May God bless you.
