

## DO YOU WANT TO BE FILLED WITH JOY AND THANKSGIVING?

Through many years of trials I have finally found how to get the answers I so need to my prayers and so much more quickly than before!

The key is to stop doubting and complaining about things that you don't like in your life, and to sincerely thank and praise Jesus for all things no matter how unpleasant things seem. You are struggling for a reason and He has a plan for your life and He will help you work things out in your life in His time. His timing is perfect! Trust Him!

A whole new world opened up to me when I started thanking and praising Him, and when I kept it up continually; without giving up and giving in to a negative attitude. And the more I did it, the more He changed my life for the good! As I continued on in praise and thanksgiving, the more I grew to love the Lord; more and more each day!

Wow! The the light bulb finally went on in my head! I finally found the answer! I had to go through years of complaining and doubting God's provision for me and not ever being satisfied and grateful enough for what I had! I always had something to complain about! It never failed!

I had to go through two major diseases in the last four years and losing my faith for three years to learn the lessons that the Lord was trying to teach me! I got saved 15 years ago and I still had much to learn about God despite all the growth I got from listening to preaching and knowing my Bible and loving and worshipping Him. I still was doubting and complaining!

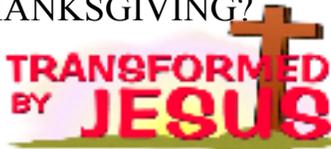

I just had to learn to love and trust Him more, and be willing to fully surrender my life to Him to guide me through the rest of my life, in a much deeper way. I had to apply fully what the Bible says, to my life and live it everyday. By the way, Jesus, in His mercy, healed me of both those major diseases! He knew I would come out of it victoriously and that I would love and serve Him with all of my heart! After I came back to Him, I really appreciated everything I had! It was a miracle that I could even walk and talk because I had Parkinsonism for a year!

I was now thankful for every thing! Just everything! I couldn't thank and praise Him enough! and I still can't stop worshipping Him with all my heart and obeying His Word! and praising and thanking Him for everything! Praising and thanking Jesus just comes natural to me now! What an awesome difference all this has made in my life! I have been "transformed by Jesus" and I am a new person!

He is worthy of all our praise! Jesus is perfect and Holy and full of love and compassion! His love and care for us never fails! Never! He is a God who is Present! He cares about everything in your life and He wants you to call on Him for help! He will even help you with the smallest things if you love Him and trust in Him. You just have to ask Him! It's very important that you ask! I read the book "From Prison to Praise by Merlin Carothers and that lifted me even higher as I was encouraged to keep on thanking and praising Jesus in love and in trust. Please get the book!
