

Elijah took the child downstairs and gave him back to his mother. Oh the mom was SO happy, she was laughing and laughing and I think she probably took the little child and did a little dance with him out of happiness!

This miracle was much bigger than the miracle of the food that didn't run out in the previous story. Now the widow was very sure that God really loves her!

You can read this true story in the Bible, in 1 Kings 17 v 16-24.

3. ELIJAH AND THE DEAD BOY WHO CAME ALIVE AGAIN

Have you ever been sick?
Maybe you had a bad headache or maybe a tummy ache? Oh that's really bad. I'm so glad that you got better again.

I would like to tell you about a boy who got very, very sick but then a miracle happened..

In the other story about Elijah God did a miracle. After that the widow and her son let Elijah stay in their spare room and the widow looked after him

Well during that time, the widow's son got very, very sick. So sick that he died. Oh the widow cried and cried. She had no family left!

She was so sad and her heart was very sore. She just sat there with her dead son on her lap.

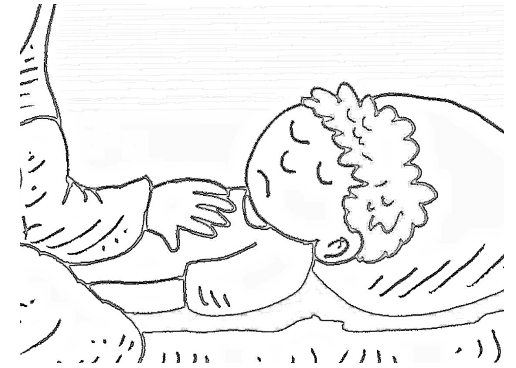

When Elijah came back from town, he saw her just sitting there with her dead son still on her lap.

"Woman, what happened?"

"My son died, Elijah and it's all your fault," she cried.

Elijah was also really sad but he knew that she didn't really mean it, it's just because she was very upset because her son died.

"Give your son to me,"

Elijah said and picked the child up in her lap and carried him in his

arms to his room upstairs.

Then he put the child on his bed and started praying to God. He even bent forward and put his own body over the child's body and prayed again. He did this 3 times !

Then the child suddenly became alive again! It was another miracle which happened !
