

Jesus went into the little girl's room and took her hand and said :

"Little girl, I say to you, rise up out of the dead !"

Immediately she got up and started walking around ! It was a miracle ! Jesus asked her mom to give her something to eat.

Oh her parents were very, very happy. I bet they all felt like dancing and jumping around with joy, maybe they even started singing and clapping their hands !

This story comes from the Bible. u can read it in Mark 5 v 21-24 & 35-43

LITTLE GIRL'S MIRACLE

I believe in miracles. I hope you also believe in miracles.

Sometimes a miracle is something small which happens to us but it is still amazing and other times it's something really big which only God can do. I want to tell you a wonderful story which really happened to a little girl who lived in the time when Jesus was on earth.

Jesus went from one town to another town to tell the people how much God loves them. He also made many people well who were sick., another way of saying this is "to heal people",

There was a man who worked in the church, his name was Jairus. His daughter was 12 years old and was very, very sick. He loved her so much and he was very worried about her. It looks as if she was going to die. His heart was so sad.

He heard that Jesus healed many people so he decided to ask Jesus to heal his daughter. He believed that Jesus can heal his daughter. So he went out to look for Jesus. and he found Him at the sea, standing on the beach. There were lots and lots of people around him. Mr. Jairus was a humble man. To be a humble man means that he knows that he needs help and he is not shy to ask Jesus to help him.

So that is what he did, he walked through the crowd of people to Jesus and he went down on his knees before Jesus and begged him :

"Jesus, my daughter, she is very, very sick. I know if You pray for her and put Your hands on her, she will get well again and she will live."

Jesus really wanted to help Mr. Jairus, so he immediately went with him to his house. But the crowds of people followed them and didn't want to leave Jesus alone.

There were so many people that Jesus couldn't walk very fast. And people were asking Him questions and wanted to talk to him and ask for help. There was also a sick woman who really wanted to be healed. She touched Jesus' clothes she got healed!

It took some time and before they got to the house. And on the way, one of Mr. Jairus' friends came from the house with some very sad news. He told them that his daughter had just died.

They said that Mr. Jairus mustn't bother Jesus anymore. Oh Mr. Jairus was so heartbroken.

But when Jesus heard this, He said to Mr. Jairus :

"Don't be scared, just believe."

Now they all walked very fast to Mr. Jairus' house and Jesus took only his 3 best friends with Him. When they got to the house,

there were people standing outside the house. They were all very heart sore and they were all crying. When Jesus went into the house,

He said to the people :

"Why are you crying, she is only sleeping."

But they all laughed at him, because they saw that she had died.

Jesus asked all of them to leave the house except the little girl's parents and Jesus' good friends.
