

MY  
LITTLE  
BIBLE

COLOR IN

God is so good.  
He made the flowers and the trees.  
He made the animals and the sea

Just like a circle,  
God has no beginning  
and no end.

He is our  
forever God  
He hears me  
when I call  
He sees us all  
Even when we fall

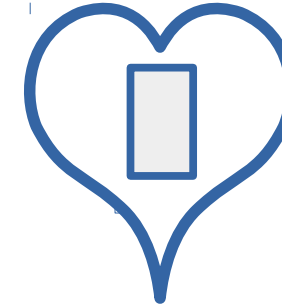

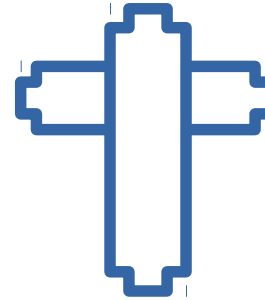

God loves me  
I am His  
special child  
He lives in heaven  
God loves me  
even more  
He opened up  
the heavenly door

He even made  
you and me

God made  
everything !

God sent His Son  
to earth  
Jesus died on  
a cross for me  
I can now live  
forever with Him !

I also have a door  
right inside my heart  
Jesus knocked I opened up  
He came right in

right inside my heart  
Jesus knocked I opened up

God is always there  
He wants to help me  
everywhere  
Even when it's dark  
and I am scared  
And I think there's  
something  
under my bed  
I can reach out  
and take His hand

His Blood takes  
my sins away  
now my heart  
is clean  
I am His own,  
I have His peace

I hurt His heart  
and won't  
have peace  
Oh how sad  
is that !

So I ask my Lord  
please help me now  
to love my friends  
and family  
Oh yes how cool  
is that !

When I feel sad  
and miss my Lord  
And no one else  
can understand

I open up and read my Bible  
And right there

He speaks to me  
"i will never leave  
you,  
I love you so  
You are my  
precious child"

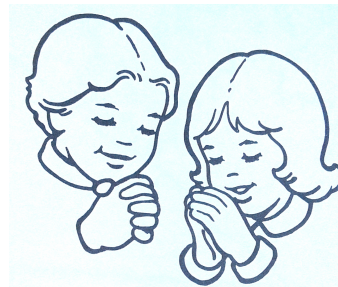

God is always there  
He wants to help me  
everywhere  
Even when it's dark  
and I am scared  
And I think there's  
something  
under my bed  
I can reach out  
and take His hand  
When I get cross  
and want to fight

Jesus came right in  
His Blood takes  
my sins away  
now my heart  
is clean  
I am His own,  
I have His peace

When I get cross  
and want to fight
