

MY
LITTLE
BIBLE

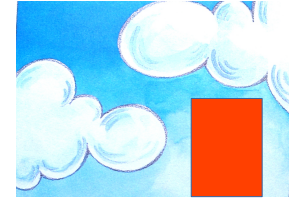

God is so good.
He made the flowers
and the trees.
He made the animals
and the sea
He even made
you and me
God made
everything !

Just like a circle,
God has no beginning
and no end.

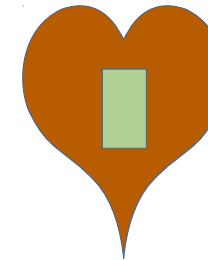

He is our
forever God
He hears us
when we call
He sees us all
Even when we fall

God loves me
I am His
special child
He lives in heaven
God loves me
even more
He opened up
the heavenly door

I also have a door
right inside my heart
Jesus knocked
I opened up
He came right in

MY
LITTLE
BIBLE

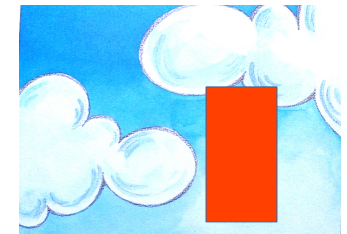

God is so good.
He made the flowers

God made

Just like a circle,

Even when we fall

God loves me
I am His

He lives in heaven
God loves me
even more
He opened up
the heavenly door

I also have a door
right inside my heart
Jesus knocked
I opened up
He came right in

His Blood takes
my sins away
now my heart
is clean
I am His own,
I have His peace

When I get cross
and want to fight
I hurt His heart
and won't
have peace
Oh how sad
is that !

When I feel sad
and miss my Lord
And no one else
can understand

I open up and read my Bible
And
right
there

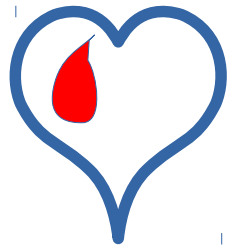

God is always there
He wants to help me
everywhere
Even when it's dark
and I am scared
And I think there's
something
under my bed
I can reach out
and take His hand

So I ask my Lord
please help me now
to love my friends
and family
Oh yes how cool
is that !

He speaks to me
"i will never leave you,
I love you so
You are my
precious child"

His Blood takes
my sins away
now my heart
is clean
I am His own,
I have His peace

When I get cross
and want to fight
I hurt His heart
and won't

Oh how sad
