

Kungoku ndicela
uThixo andincede
ngoku ukuze
ndithande
izihlobo
neza lamani.
Kulungile.

Xana ndiziva
ndihlupkekile
ndikhumbula
iNkosi yam
Akukho namnye
onondiqonda

Ndifunda iBhayibhile

Kwaye athethe
kunye nam.

“Asoze ndikushiye
Ndiyakuthanda.
Ungumntwana wam
oxabisekileyo.”

IBHAYIBHILE ENCINCI

uThixo ulungile.
Uthixo udale
izilwanyana namanzi.

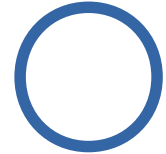

Wadala intyantyambo
nemithi.

Waphinda wadala abantu
nawe kunye nam.
Uthixo udale zonke izinto!

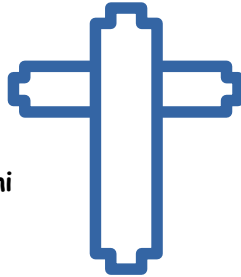

Ngokufana
nesangqa
uThixo akanasiqalo
nasiphelo.
Ungu Thixo wethu naphakade.

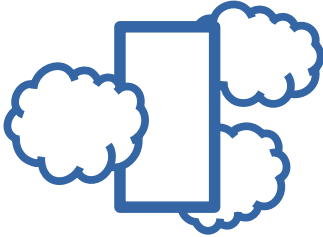

Uyasibona xa sisiwa.
Uyasiva xa simbiza.

Uthixo usithanda
kakhulu
Wathumela unyana
wakhe emhlabeni.
uYesu wafa emnqamlezweni
ngenxa yezono zethu.
Wavuka engcwabeni
emva kwentsuku ezinthathu
wabuyela ezulwini.

Igazi lakhe lasusa isono sam.
Ngoku intliziyo yam icocekile
ndinoxolo lwakhe'
Uyokuba nam kude
kubengonaphakade.
Asoze ndibe ndedwa.

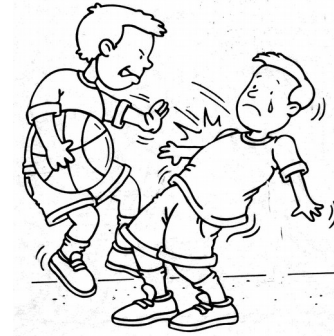

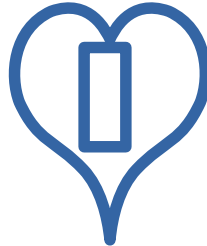

Yesu wayivula ucango
ukwenzela sikwazi
ukuya ezulwini nathi
ngalacango uYesu
walivelayo.

Uthixo ufuna
ukundinceda :
Xana kumnyama
kwaye ndisoyika
Ndinothatha
isandla sakhe.

Entliziyweni yam nam
ndinalo ucango.
Ngexesha uYesu
wayenkqonkqoza,
ndathi ngena ngaphakathi.
Ngoku uhlala ngaphakathi
entliziyweni yam.

Xana ndinomsindo
dnifuna ukulwa
Ndihlupha intliziyo
yakhe kwaye
asoze ndibenoxolo.
Iya hlupha.
