

Excuses people make to Choose Abortion

I got pregnant and I wasn't willing to have a child because it was a bad time for me...
I got pregnant and it really scared me about how I would take care of him, or her...
I got pregnant and I was afraid of the stigma that I would suffer because of having a child out of wedlock...I got pregnant and I haven't finished my education...I have to save up some money first...my boyfriend and family are pressuring me to end my pregnancy....
my husband doesn't have a stable enough job... my husband and I both have careers so it's not a convenient time... we already have enough children and we don't want another one...my husband or boyfriend left me and to go thru with having a baby now would be too much for me...I am alone and would have no love and support to raise a child...There is no end to excuses we can make!

**Many Women have said Later:
I had an abortion and now I deeply regret it...I didn't realize that I stopped a beating heart...I didn't realize how much guilt and shame I would experience by aborting my baby...I didn't realize how many couples are waiting to adopt a child and how badly they want to adopt a child!**

My friend loved me enough to tell me about that there was wonderful forgiveness in Jesus Christ; and peace beyond understanding, who is a loving Heavenly Father who loves and cherishes His children, of whom I am one.

Because of having a relationship with Jesus, my life has much meaning, no matter what is in my past, and I have never known such love, joy and peace! Jesus paid the penalty for my sins, and the Bible says that, "If we confess our sins, God is Faithful and Just to forgive us our sins, and to cleanse us from all unrighteousness." 1 Jn. 1:9 If you are facing this Difficult Choice of whether to give Life or Abort: Choose to Give Life! Give birth to your baby and consider giving him or her to waiting adoptive married couple, who are longing for a child with open arms to love and cherish your child; or if you choose to keep your child, lean on Jesus to help you raise your child. He will also draw others to assist you along the way.

Scriptures: "God is our Refuge and strength, a very Present Help in trouble." Ps 46:1
Before making any choices, always pray and press in with God, and wait on Him for an answer. Trust His Heart! "Above all, taking the Shield of Faith..." Eph. 6:16 Don't make choices according to your feelings or circumstances but I urge you to choose God's Way. God knew us before He formed us in the womb. Jeremiah 1:5 & Ps. 139:13-16.
"If God be for us, who can be against us?" Romans 8:31
