

GET WELL

You are a very special person and I'm sorry to see that you aren't feeling well. Life can be very difficult when we aren't feeling good. But you will feel better again soon I know.

I want to tell you how very much I love you and I will be there to love and encourage you through this. And you have a Friend that sticks closer than a brother, Proverbs. 18:24. Who is with you and He loves you more than you can imagine, and He will help you through this time of renewal. You will get your strength from Him, Honey. Just turn to Him the most in your times of need for courage and refreshing and ponder on His Holy Word for nourishment.
