

GET WELL

My heart really goes out to you that you aren't feeling well, Loved one! You are such a precious person and I love you and want to see you feeling good again. I wish I could take your place...but Jesus has already done that for you. He has taken the stripes on his back so that you have a right to your healing just by belonging to Him! Isn't that wonderful? By His stripe we Were healed...the work is already done! 1 Peter 2:24

Just put yourself in the Master's Loving hands and love and trust in Him and He will bring about your healing...every time! Nothing is too hard for God, Loved one...and He has promised to do it. Just wait patiently, expectantly and confidently on Him to bring it about and He WILL!

“For they that Wait (patiently, expectantly, confidently) upon the Lord shall Renew their Strength; they shall mount up with wings as eagles! They shall run and not be weary and they shall walk and not faint.”
Isaiah 40:31

I am expecting Jesus to do a mighty work, Loved one! You are going to be up and feeling better and better soon. There is a worship song; The Cross made the difference for me, and it did!
