

GIFT IN DISGUISE

Bishop Nelson Arthur was invited to speak to us at the service in Texas. As it was usually done, a sister was invited to sing before a preacher. Sister Jos was invited this time around. O my God! I exclaimed. What is the MC trying to do? Did he check her out before inviting her? She just completed high school and as most ladies do, she wants to look older than her age. She wears short clothes, paints her face and “shows her breast”. In fact, Jos doesn’t dress like a church girl at all.

Moreover, her phone usually rings whenever the preacher is making a serious point. She just pisses me off. Jos takes the microphone and to my amazement, she sang so well. She sang like an angel. Everyone stood in awe. What a gift in disguise!! I changed my perception about Jos.

2Cor 4:17 says “But we have this treasure in earthen vessels, that the exceeding greatness of the power may be of God, and not from ourselves;

Beloved, there is a treasure in you. If you can read the text again, you will realize that the earthen vessels refer to you and me.

Whatever you can easily do that you did not work for, is a GIFT from God. No wonder you may not study that hard and still pass your exams. You don't go for voice training but u sing better than the chief vocalist. It is just an endowment from the Lord. I don't care what people say about you. The word of God says each one of us is a walking treasure. Believe it.
