

## THE GIFT OF SEX

God created us and gave sex to us as a gift. And He set rules to guide us in using this gift. Our culture has ignored the rules, distorted the place of sex in our lives and it is paying a terrible price for it! When we indulge in sin, it always destroys us. When we disobey God it causes things like Aids, sexually transmitted diseases, unwanted pregnancies, abortions, rape, sexual abuse, and broken family relationships.

These are some of the massive problems we have brought upon ourselves by our Choice to ignore the clear and simple law of God, nature and life. If everyone lived by God's guideline for love, sex and marriage; we would not suffer from these problems.

God has been Very clear about His desires for us regarding love, sex, and marriage: (and all the issues in life)

...Sexual relationships are to be confined to marriage only.

...The marriage relationship is for life and is to be characterize by loving service to each other.

...The family unit has been created by God as the foundation of all cultures. When we follow God's desires for us, we thrive. When we ignore God's desires for us, we do so at our peril! We face the awful consequences of our sins, and we face the awesome anger of God! God's love is greater than His anger. In His love, He has provided the solution of our personal and national sins. He sent His only begotten Son Jesus to come and die of us so that everyone who believes on Him has his sins washed clean, and becomes a member of the family of God.

Because of Jesus' sacrifice, when we fail, we now have a way back.

God's desire for us is that we repent, and turn from our sins and live differently, and truly trust Him. To trust God is to take Him at His Word, (the words in the Holy Bible) accept His Son, Jesus Christ, and obey His Word. All the blessings of God await the person who believes God's Word and obeys what it says, and puts their trust in Him.

If you want to belong to Him right now; tell Him.

Repent: Tell Him that you know that you have sinned against Him and that you want to be different now.

Trust: Count on God to accept Jesus' sacrifice for you on the Cross to make you right with Him by asking Jesus to be your Lord and Savior and Heavenly Father today. In other words, Your Dad.

Obey: Tell Him that you want to live a new life as a member of Jesus family, asking Jesus for His help to do so.

Then find a good Full Gospel Church in which to learn and fellowship and get an Authorized King James Bible and start reading the Gospels, beginning with the Book of John and then the other Gospels and also include Acts, probably after you have read the Book of John. REMEMBER THAT IT IS VITAL AND LIFE GIVING TO OBEY THE HOLY BIBLE! "Behold, to obey is better than Sacrifice!" 1 Samuel 15:22
