

## THE GREAT DECEIVER

Satan is the worlds' best enemy. He has no power over the Christian who is living a Godly lifestyle, protected by the blood of Christ. But for the non-Christian he is more powerful than the conscienceless terrorist, more destructive than HIV/AIDS, heart disease, and drug addiction all rolled into one.

Satan, my friend, deceives you into thinking that you are running the show, that you are calling the shots and making your own thing happen...or not happen.

He wants to keep you blind to the truth that were it not for God Almighty - you wouldn't even be able to open your eyes every morning, swing one or both legs (however you prefer it) out of bed, & get up and start your day.

Now, let me stop right here for a moment because I know many of you are nodding your heads right now and saying, "Umm, hmm, I know that's right."

You might even be saying, "I believe in God, and I know that He gets me up each and every morning." BUT...the bible says "...the devils also believe and tremble." (James 2:19)
