Satan is the world's best enemy. He has no power over the Christian who is living a Godly lifestyle, protected by the blood of Christ. But for the non-Christian he is more powerful than the conscienceless terrorist, more destructive than HIV/AIDS, heart disease, and drug addiction all rolled into one.

Satan, my friend, deceives you into thinking that you are running the show, that you are calling the shots and making your own thing happen...or not happen.

He wants to keep you blind to the truth that were it not for God Almighty - you wouldn't even be able to open your eyes every morning, swing one or both legs (however you prefer it) out of bed, & get up and start your day.

You might even be saying, “I believe in God, and I know that He gets me up each and every morning.”

BUT...the bible says “...the devils also believe and tremble.” (James 2:19)
This means that you must be “...doers of the word, and not hearers only…” (James 1:22)

“But wilt thou know, O vain man, that faith without works is dead?” (James 2:20)

“...faith without works is dead...”

People act according to the spirit that lives in them – which spirit is living in you?

And to the Christian I repeat what I once heard long ago: ‘If you have been saved, satan wants you back!’

We must “Standfast therefore in the liberty wherewith Christ hath made us free, and be not entangled again with the yoke of bondage.” (Galatians 5:1)
