

## BIRTHDAY WISHES

It's Summer and it's your Birthday! Oh, it's so fun to play in the water when it is Hot, isn't it? Summer is a very special time of year and to have your birthday right now is very special! So, Let's sing Happy Birthday!

**A Happy Birthday to You...A Happy Birthday to You...May You Feel Jesus Near Every Day of the Year...A Happy Birthday to You...A Happy Birthday to You... and the Best One You've Ever Had!**

You will feel Jesus near when you look at the beautiful sky or smell a flower, or see the wind blowing through the trees, Honey. Jesus is with you whether you feel Him or not. He is waiting and eager for you to draw near to Him and spend some quiet time talking to Him and loving Him back; because you love Him because He first loved you, and the Holy Bible also says that God is LOVE!  
1 John 4:8, 19.

He loved you even before you were born?  
Did you know that?

I Love You!
