

**HAPPY
BIRTHDAY**

I know how you love Bugs! They are all so fun to have around aren't they? All that God has created is wonderful! I'm sure you would like to spend most of your time outdoors.

Jesus just loves you, Honey! He said, Let the little children come unto me, and forbid them not, for of such is the Kingdom of God. He would lay His hands upon little children and bless them. Isn't that wonderful? He loves little children. Even grownups are children to Jesus!

May you have a Blessed Birthday, Honey!
Always, Always, remember that Jesus loves you!
