

HAPPY  
BIRTHDAY

No matter how bad we look, I want you to know that Jesus still loves us. They can be big or small, short or tall but Jesus loves them all! And He loves YOU too, my little friend! So much so, that He was willing to die on a cruel Cross to save you from your sins. There is no Greater Love than this that someone would lay down his life for a friend, and you are His friend when you come to Him with all of your heart and say you are sorry for your sins, and surrender your life to Him.

He loves you, Honey! Oh, how He loves you!

So, there is no better time to ask Jesus into your heart and ask Him to change your heart so that you can belong to him and follow Him, then right now! Won't you do it today, Honey? Just ask Him and He will be right there. He is waiting eagerly for you to give your heart to Him! Then you will belong to Him and you will be able to continue on and start a brand new life with Jesus! Doesn't that sound wonderful, my little friend?

1 John 1:9 says "If we confess our sins, He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness."
