

HAPPY BIRTHDAY

It's time for a Birthday! Look Pooh Bear is watering his plants. Doesn't that look like fun? Don't you wish you were there to help him, Honey? He looks like a friendly bear doesn't He?

I know someone else who is a friend who sticks closer than a brother. His Name is Jesus and He's very close to you today and always! He wishes you a joy filled birthday right along with everyone else!

He is watering you, my little friend! And He listens for you to talk to Him and he wants to have a wonderful relationship with you. He waters your faith as you keep coming to Him and talking to Him about yourself and you tell Him your needs, and tell Him what's on your heart.

So, I invite you to start spending more and more time with Him as time goes on. Because Jesus loves you so very much, Honey!

Love From Jesus!
