

MEDICINE FOR HEALING

Proverbs 4:20-22 says, “My son, attend to My Words: incline thine ear unto My sayings. Let them not depart from thine eyes: keep them in the midst of thine heart. For they are life to those that find them, and health to all thy flesh.” The Hebrew word for “health” is “medicine.” God’s Word is medicine to all our flesh! The medicine Jesus prescribes is the Word of God.

Many make the mistake of substituting belief in healing for the actual taking of God’s medicine--His Word.

They say, “I believe in healing” without actually taking the medicine. What good would it do you to believe in food if you didn’t eat it? You would starve! What good would it do you to believe in water if you didn’t actually drink any? You would die of thirst!

God’s Word is His medicine!

There are several parallels between God’s medicine and natural medicine. First, God’s Word is a healing agent just as natural medicine is a healing agent, or catalyst. In other words, the medicine itself contains the capacity to produce healing. God’s Word contains inherent within it the capacity, the energy, the ability, the nature to effect healing in your body. Psalms 107:20 says, “He sent His Word and healed them, and delivered them from their destructions. (pit fall, pit)

” Proverbs 4:22 says, “For they (His Words) are life to those that find them, and health to all their flesh!” Isaiah 55:10, 11 says the Word of God will accomplish what it was sent out to do. The Word itself contains the power to produce what it says, just as what it was sent out to do. The Word itself contains the power to produce what it says, just as when God said, “Let there be light,” and there was light.

Healing Scriptures contain within them the capacity to produce healing. Hebrews 4:12 says, The Word of God is quick and powerful, and sharper than any twoedged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart.

God’s Word is something that is alive and full of energy! The key to partaking of the life and healing energy in the Word, is feeding on it until it penetrates your spirit where it deposits that life and energy!

Secondly, medicine is no respecter of persons! It will work for anyone who takes it! It is not a matter of God willing or not willing the healing of any individual, but whether or not the individual will receive healing by taking the medicine that produces it.

Thirdly, and most importantly, *medicine must be taken according to directions to be effective!* Some medicines read, “Take internally” others say,

Thirdly, and most importantly, *medicine must be taken according to directions to be effective!* Some medicines read, “Take internally” others say,

“Take externally” To take it after meals when the directions say take it before meals will reduce it’s effectiveness. To take it once in a while when the directions say three times every day will mean limited results, if any! No matter how good the medicine is, it must be taken according to directions or it won’t work! Head knowledge won’t do!

They are going to have to penetrate your spirit through meditation—attending, hearing, looking, muttering, musing, pondering—to produce healing in your body. But once they do penetrate, they will surely bring health to all your flesh! You can see again that God’s way of healing is spiritual. Power is first ministered to your spirit, than distributed to your body. God’s medicine must be taken internally!

Listen; instead of wondering whether you have enough faith to be healed: just take the medicine!

Fourthly, remember it sometimes takes time for medicine to work. Sometimes it works quickly, other times it takes longer. Most people give drugs a lot of time and patience and money to work. They take the prescription back for refills and more refills. They are diligent about it. They don’t just take one dose and expect a miracle!

Keep taking God’s medicine! Give it time to work.

Confess the healing Scripture and receive Scriptures like:

“Cast not away therefore your confidence, which hath great recompense of reward. For ye have need of patience, that after ye have done the Will of God, ye might receive the promise.” Hebrews 10:35, 36 This is for healing or whatever you are praying for. “I stagger not at the promises of God through unbelief, but am strong in faith, giving glory to God, and am fully persuaded that, what He has promised He is able also to perform!” Romans 4:20, 21

If you have pondered on this verse much and searched your Bible for Scriptures that back up what you are wanting to believe Jesus for, you will be persuaded that His promises are true!

If you are still having problems believing in all this just take the medicine (God’s Word) and it you will be able to receive it in time. Jesus loves you and wants you to have your healing!

Note: Drugs seldom work unless your condition is life threatening. Most of them just maybe help the symptoms and cover up what’s really wrong. Unless of course you need an operation or something like that.

Good, quality supplements are what give your body what it needs to heal itself! With a little searching there are many good companies where you can find quality supplements.
