

Here I am Again

*Here I am Again
At a place I've been Before
Falling down to my Knees
With my face upon the Floor*

*Lord help me to Repent
From all my sin and Shame
I have no good Excuse
As to why I disgraced Your Name*

*Free me from the Bondage
Of heartache and Despair
From the guilt of all my Sins
That my heart does now Declare*

*I'm seeking your Forgiveness
And I ask for Your Mercy
I'm looking to the Cross
Where Your blood was shed for Me*

*I know there will never be a Night
Or even a bright sunny Day
When God doesn't take the Time
To hear me when I Pray*

*The comfort that only He can Give
With all He wants to Share
To bring life to those with broken Hearts
Mercy and Grace for life's Despair*

*The most important thing in this Life
Is what you do with Jesus Christ
The choice you make with His Deity
Will be a choice that last for all Eternity*

*Inspired by My Lord and Savior Jesus Christ
To him I give all the Glory Honor and Praise
