

HIS HEART IS BIG ENOUGH

You say you've been gone so long... You're just not sure which way is home... You're almost too tired to walk... you're so worn out from being alone.

He's right beside you... and He wants you to know that He still cares and He still wants you as His own!

His heart is big enough to love you, even though you turned Him away.
His arms are long enough to save you and give you another chance, and to make up for your mistakes. His grace is more than sufficient!

Even when your heart aches and even though you're to blame... His heart is big enough to love you... so Run back to Him today!

There's no reason to be afraid; you're not in His way, He understands. He knows how to forgive and forget. Don't give up yet! You're in His hands. He's right there beside you and He wants you to know that He still cares and He wants you for His own.

He bought you back with His own blood on Calvary, so back in His arms is where He wants you to be; and what He longs for is to see you totally and completely free.

**HIS HEART IS BIG
ENOUGH TO LOVE
YOU, SO RUN BACK
TO HIM TODAY!**

"If we confess our sins, He is faithful and just to forgive us our sins, and to cleanse us from all unrighteousness." 1 John 1:9
