

## THE HOLY GHOST

Beloved One,

Jesus loves you very much and He wants you to have more of Him.

He wants to fill you with His Holy Ghost. The Holy Ghost is like being filled with Jesus! Doesn't that sound wonderful!

Jesus said that you must be born again so that you are a new person in Him. That's what happens when He fills you with His Spirit. Jesus is all Love! He doesn't know how to be any other way but to be filled with Love for everyone!

This is also called the Gift of the Holy Ghost. We have to pray and ask for this gift. This is a good and necessary gift so that Jesus can help you with your life and teach you how you should think and act.

It's also very important to know and obey what the Bible says. That is His main way of guiding you. Ask your mom and dad to teach you what the Bible says. The Bible has a lot of wonderful stories that teach you things and also the Commandments are in there, that tell you what is right and wrong. All this is very important to know and do.

So I would like you to ask Jesus to fill you with the Holy Ghost. Say, Jesus, I really want this wonderful gift of the Holy Ghost!

So I would like you to ask Jesus to fill you with the Holy Ghost. Say, Jesus, I really want this wonderful gift of the Holy Ghost!

Please come and fill me now! And keep praying for awhile and believe that He will give you this gift.

Just keep coming back and praying to Him about it until He comes and fills you with that wonderful Holy Ghost!

When you get some words in your mind just speak them out loud, because that is the Holy Spirit giving you the words to say. They may sound strange but that's okay. Just do it anyway and you will be filled with joy and you will love Jesus even more than before!

Than spend time with Jesus everyday and be excited about Him and thank Him and praise Him for giving you this wonderful gift and you will find yourself speaking those wonderful Heavenly words to Jesus again and again!

You will be so happy that you took the time to ask Him for the Holy Ghost which you will have forever! You will even have it after you die and go to Heaven!
