

HOW LONG IS ETERNAL LIFE

“Mother, how long is forever?” said little Mary.. She was too small to know.

Her mother thought a minute. “It means always, and always, and always,” she said.

“It means Eternal, doesn’t it, Mother?” said Karin, who was a little older, and knew some big words.

“Yes, said her mother. “And the Holy Bible tells us, “The gift of God is Eternal Life through Jesus Christ, our Lord.” Romans 6:23 Jesus gives Everlasting Life...a life with Him that will never end.”

”Does that mean we will be in Heaven all the time when we die?” asked Mary. “Yes,” said her mother, “and we started to have that life when Jesus came into our hearts.” “But we are in heaven already,” said Karin. “The teacher said heaven is a place where people go when they die.”

”Does that mean we will be in Heaven all the time when we die?” asked Mary. “Yes,” said her mother, “and we started to have that life when Jesus came into our hearts.” “But we are in heaven already,” said Karin. “The teacher said heaven is a place where people go when they die.”

Then her mother explained that heaven is being with Jesus. "When He is in our hearts," she said, "We are in His kingdom on earth, and that is the beginning of heaven. Those who are His children when they die, are taken to His kingdom in Heaven."

"Does Eternal Life mean heaven?" asked Karin.
"Yes," said her mom. "And let's not forget to thank Jesus for giving us Eternal Life. The Holy Bible says that whosoever believes in Him hath Everlasting Life."
John 3:15.

OUR PRAYER:
Thank you Jesus for giving us Eternal Life with You. Keep us in Your Kingdom of Heaven while living on Earth so that we will be with you in Heaven when we die. In Your Name Jesus. Amen.
