Are you Prepared

It is generally believed that every dead man is free from attack and troubles. The same will happen when you die to flesh and self in Christ Jesus. All the problems and anguish of the world makes no meaning to you again because what you see is Christ and when you live your life in Christ, Christ also lives in you and that gives you the "hope of glory" (Col. 1:27).

The apostle Paul said "for to me to live is Christ, and to die is gain" (Phil. 1:21). Anyone who must live must first die, because it's when you die that you can be profitable to God.

What does it mean to die?

It means to stop existing after the manner of sin (Rom. 8:10).

It means to live in the spirit (i.e.) the spirit of God is alive in you (Rom. 6:13).

It means to live a life worthy to God (1Thes 4:1). It means becoming a child of God in power and authority (1Pet 2:9).

It means leaping higher above the world of flesh where what matters to God, matters to you (1John 5:4). Jesus said my will is to do the will of the father (John 6:38).

So, you must be willing to die. Matthew 16:25 "For whosoever will save his life shall lose it: and whosoever will lose his life for my sake shall find it". If you are not willing to die it means that the power of death, sickness and disease still prevail over you. Galatians 6:14 "But God forbid that I should glory, save in the cross of our Lord Jesus Christ, by whom the world is crucified unto me, and I unto the world". So, when you die the elemental forces have no control over you, just as they have no control over Jesus (Gal 4:3).

Therefore, what do you have to do to die to sin?

1. Accept that you have sinned against God and confess all your sins.

2. Accept Jesus as your lord and personal saviour.

3 Repent of all your sins and forsake them.

4. Make this confession of faith according to (Romans 10:10).
