Scripture: For God so loved the world that He gave His One and Only Begotten Child that whosoever believes in Him shall not perish but have everlasting life. John 3:16

For the carnal mind, it is hard to believe in God when he cannot be seen with physical eyes in the same way we see each other when we meet. But, the fact that he cannot be physically seen does not diminish His existence. God is Spirit and He is always there by your side watching your every move, listening to your thoughts, searching your heart, and longing for you to acknowledge Him. He loves you so much, He created you. You were NOT a mistake. He fearfully and wonderfully created you with a purpose. He made you like no other being in the past, in the present, nor in the future. He loves you so much He made you immortal so that you will live forever.

Certainly, everyone dies in due time, but your soul lives forever. There is certainly life after this life. He loves you unconditionally. He sent His Son, Jesus, to the world to save you. Save you from what, exactly, going to hell? Well, yes, that's the GREATEST thing He's done for our eternal future...But He is Savior of much much more ..right here on earth and right now! He wants to save you from going about in this world alone. Life can certainly be tough, but Jesus came so that you wouldn't have to live it alone. He came to guide you in the right directions by helping you choose right decisions.
